To Whom It May Concern,

I am happy to serve as a reference for the foundation, Rose of the Heart, in Bulgaria.

Rose of the Heart is highly professional foundation to work with in the area of intercountry adoption. We have worked with Rose of the Heart for several years. They are extremely dependable, ethical and diligent in their work with the children and the families we send them from our agency. I meet with them on a regular basis and we are always able to work through any problem or situation we face together. Rose of the Heart is an extremely dependable and reliable partner. They keep abreast of the ever-evolving atmosphere of intercountry adoption laws and regulations in both Bulgaria and the USA with the Hague as the guide. They have an excellent professional relationship with the Ministry. The information they provide on the legally adoptable children is excellent.

One of our best decisions was to begin working with Rose of the Heart years ago and we have never regretted it.

I highly recommend Rose of the Heart. Please do not hesitate to contact me if you have further questions or concerns.

Sincerely,

Deborah S. Price
Executive Director
Children's House International
